

The Official Newsletter of the South Pasadena High School Alumni Association

President's Message

Thank you so much to so many Tigers who helped the SPHS Alumni Association have a great year in 2022. We are very proud of our achievements last year, including holding our successful Fifth Decennial Grand Reunion in June and our annual Homecoming Get-Together in October.

We are especially proud to announce that **for the first time ever we awarded more than \$50,000 in scholarships to SPHS seniors in 2022.** Our scholarship program has grown dramatically as a result of generous support from many of you who make tax-deductible donations each year. In addition, over the past ten years our program has evolved to allow **the creation of "customized" scholarships**, which have propelled our fundraising growth. Rather than raising funds only for our traditional "General" scholarships, we now have some 20 different individuals and groups that have created scholarships remembering friends, teachers or loved ones, as well as encouraging and supporting SPHS students with specific study or career goals and interests. These scholarships are helping graduating seniors wishing to attend art school, medical school, music school, nursing school, who want to be engineers, doctors, diplomats and athletes and so many more. We even have two scholarships focused on kids who aren't even sure what they want to do, including **the James Fosselman "PCC" Scholarship and the Andre Patzkowski "Run Forward" Scholarship.**

Most recently, we have added two new scholarships this year – **the Jack Dalton Memorial Art Scholarship and the Danny Martin Emery "Servant's Heart" Scholarship.** Your involvement in, creativity and support of these new and more diverse scholarship opportunities has given our program real horsepower. My expectation is that our scholarship reach will only continue to grow in the years to come! If you are interested in starting a new SPHS scholarship, please email us at **scholarships-sphsaa@sphsaa.org**.

We have also created a new award honoring our recently retired principal, Janet Anderson, who was a Class of 1974 graduate. The **Janet Anderson "Tiger Spirit" Award** recognizes an outstanding SPHS teacher, administrator or staff member each year, promoting the continuation of the supportive "Tiger Spirit" that Janet encouraged and maintained among students, faculty, and staff at the high school during her tenure. We will make our first award this

spring to an outstanding SPHS team member.

As our Association grows, we continue to need the help of any Tiger alumni who would like to assist us by **volunteering.** We need additional members for our Board of Directors (who meet once a month by Zoom) as well as volunteers who can help out with events and/or special projects. Please send us an email at **volunteers@sphsaa.org** to let us know if you are interested in helping us or if you have any questions.

I want to encourage everyone who receives this spring publication to support our efforts by **becoming a member** of the Alumni Association. Many are under the impression that if they receive the **Tiger News** or participate on our website (**www.sphsaa.org**) or on our Facebook page, that means they are full-fledged members of the Association. Unfortunately, this is not true.

To become a SPHSAA member, **you must complete and return the enclosed form or sign up on our website** and forward the \$15 annual membership fee. By becoming a member, you will not only receive a copy of our annual **Tiger Tales magazine** each fall, which includes much more extensive updates about SPHS classes and individual Tigers, but also support our annual scholarship awards, events, activities and publications. Your paid membership supports everything we are doing for our SPHS alumni and students.

Finally, I am sad to report **the passing of our legendary football and baseball coach, Ray Solari**, in March this year. From the 50's to the 70's and beyond, Coach Solari touched the lives of so many South Pasadena students, both athletes and non-athletes. He coached our first CIF baseball championship team in 1956 and followed that with four CIF football championships in 1959, 1962, 1966 and 1969. His unique coaching style combined strict discipline, quirky humor, and compassion. In 1999, Coach Solari was named SPHS's Coach of the Century and our football stadium was named after him. He was much loved and will be greatly missed. We send our condolences and thanks to Coach Solari's family for sharing him with us.

We thank you for all of your help and encouragement in this past year and encourage you to continue supporting our efforts in whatever ways you can.

Go you Mighty Tigers!

The Scholarship Process

Every year, during the third week of February, the SPHSAA scholarship forms are made available at the high school administration office, and may be downloaded from the SPHSAA website, as well as distributed by faculty and staff. The requirements for each scholarship are specified on the application forms. Completed forms must be returned to the office before Spring Break. These are reviewed by the SPHSAA Scholarship Committee which is approved each year by the Board of Directors and whose members are active in the Alumni Association.

After verification of eligibility in April, finalists are selected, interviews conducted virtually and/or in person, and recipients announced at SPHS. The scholarship funds are issued upon receipt of proof of registration for classes. Photographs of the students receiving these scholarships are printed in the Fall Tiger Tales, along with thank-you notes received before the August 31st publication deadline, as well as in the Spring Edition of Tiger News the following year.

One of the most exciting developments to our scholarship program is the opportunity for alumni and their family and friends to create new SPHS scholarships. With our support, you can establish and fund a tax-deductible scholarship administered by the Alumni Association. Over the last few years, we have had many generous alumni and community members establish and contribute to new scholarships in support of graduating SPHS Tigers. **Your donations help to keep these scholarships going!**

DON'T FORGET YOUR DONATIONS ARE TAX DEDUCTIBLE! Our EIN is 95-3706458 if needed for your tax records.

You can donate by mail or ONLINE: go to www.sphsaa.org and click on the "DONATIONS" link in the right-hand column. From there, you can choose where you would like your donation to go, and use PayPal or a credit/debit card to make your tax-deductible donation!

New Scholarships for 2023-2024

The Janet Anderson Faculty Recognition Scholarship

The Janet Anderson "Tiger Spirit" Award recognizes an outstanding SPHS teacher, administrator or staff member each year, promoting the continuation of the supportive "Tiger Spirit" that Janet encouraged and maintained among students, faculty, and staff at the high school during her tenure. We will make our first award this spring to an outstanding SPHS team member.

The Coach Ray Solari Memorial Scholarship

The Class of 1973, one of Coach Solari's last classes before moving on to coach at Menlo College in the Bay Area, will be establishing this scholarship to recognize the dedication, leadership, and mentorship of Coach. We are hopeful the scholarship will be supported by all classes and faculty of SPHS, particularly those who had Ray Solari as a teacher, coach, Driver's Ed instructor, mentor, or friend. Several graduates of SPHS went on to play for Coach Solari at Menlo, and kept in touch with him over the years. More information to come in Tiger Tales Fall 2023.

ANNUAL ALUMNI PICNIC SATURDAY, JUNE 10, 2023 GARFIELD PARK

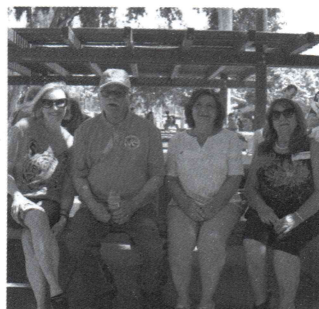

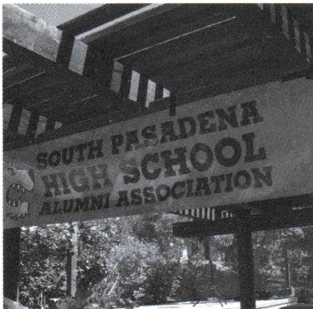

Join SPHS alumni from all classes at our annual Alumni Picnic on Saturday, June 10, 2023. We will be gathering under the pavilion at Garfield Park from 11:00 a.m. to 2:00 p.m., and will provide a free hot dog lunch to all who attend.

When you arrive, be sure to check in at the registration table and update your contact information as needed. We will also be giving away a few Tiger treats from the SPHS Booster Club!

This is a wonderful opportunity to see fellow classmates as well as those graduates from other classes. We often have multiple generations of Tigers attend!

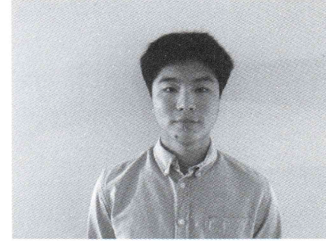

We are looking for volunteers to assist with barbecuing hot dogs, set up and tear down, and more. If you are able to volunteer - even for a portion of the time (we want everyone to enjoy time with friends), please contact the SPHSAA at volunteer-sphsaa@sphsaa.org. Thank you in advance!

Raymond Solari

SPHS Coach ~ Teacher ~ Mentor~Legend

February 13, 1928 - March 17, 2023

Raymond Solari passed away peacefully on March 17, 2023. His great heart finally gave out just before midnight, and he's gone on to his next Big Game. Born February 13, 1928 in San Francisco, he was the son of Antonio and Vittoria Solari, immigrants from northern Italy.

From earliest childhood, his dream was to play football at Cal and beat Stanford, a goal he accomplished in robust fashion. After graduation from Galileo High School, he went on to play guard and linebacker at Cal under the legendary Pappy Waldorf; the team played in three Rose Bowls. He was drafted by the Cleveland Browns and traded to the San Francisco 49ers, whose doctors advised that he not play because of a back injury. He returned to Cal and earned a teaching credential, serving as a graduate coaching assistant under Pappy Waldorf. In 1952, he was drafted into the United States Army and sent to Korea, where he organized recreational programs, taught English grammar to NCOs, and ran the library.

In 1954, he accepted a teaching and coaching position at South Pasadena High School, where he eventually led the Tigers to five Rio Hondo League championships, four CIF championships, and a perfect season in 1969. In 1972, he returned to Northern California to coach the Menlo College Oaks, overseeing the team's transition from a junior college program into an NCAA Division III program in 1986. In 1999, SPHS named him Coach of the Century and named its football stadium after him, a measure of the degree to which he influenced the lives of young men. His unique coaching style combined strict discipline, quirky humor, and compassion. He was much loved.

In retirement, he and his wife Constance traveled frequently to Italy and Kauai. They were long-time subscribers to the San Francisco Symphony, and for over forty years they hosted literary and artistic salons in their Menlo Park home. He was also the founder and head of the Zot Party, a group of friends from across the political spectrum who gathered quarterly to discuss politics - luncheons informed by spirited debate and civility.

Above all things, Raymond was a man devoted to his family - a loving husband and dedicated father whose most recent years were brightened by the presence of four glorious grandchildren.

He is survived by his wife of fifty years, Constance Hines Solari; his children, Robin Solari, Antonia Solari Moran (Robert), and Christopher Solari (Jennifer); and four grandchildren, Arthur, Harrison and Aiden Moran, and Violet Solari. In lieu of flowers, donations made be made to the San Francisco Symphony, U.C. Berkeley, or an organization of your choice.

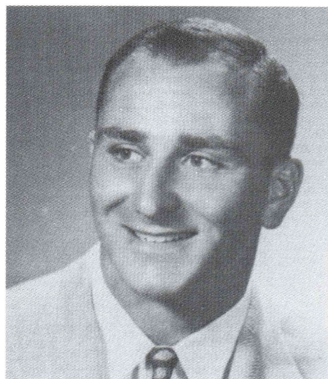

Coach Solari's tenure at SPHS

- Head Baseball Coach at SPHS: 1954 - 1972
- Head Football Coach at SPHS: 1956 - 1972
- Football Coaching Record at SPHS: 120-43-5
- Athletic Director at SPHS

Coach Solari was a man who gave credit where credit was due, preferring to shine the limelight on his players rather than himself. Following SPHS' CIF Championship game against Morningside High in the fall of 1966, after 11 years as head coach at SPHS, Coach Solari was quick to credit the team's success to his players and coaching staff in spite of the praise directed at him as head coach. *"I don't believe there is such a thing as a super coach. Basically, good players make the good football team. A great conductor must have great musicians to play great music. The same is true for the football coach."*

This was the third CIF Football Championship for the Tigers under Coach Solari at the time. In 1969, The Tigers defeated Bonita 10-0 to win their fourth football championship under Coach in a perfect season. That same year, Coach Solari was awarded "Coach of the Year" honors by the Los Angeles Times.

In addition, Coach Solari led the Tiger baseball team to a CIF Championship in 1956 and seven Rio Hondo League championships under his tenure as head baseball coach.

**** Please email Ann McDaniel at sphtigers73@gmail.com with your memories of Coach Solari, on or off the field. Many of us had him as a teacher for Safety Education and/or Driver's Education. We will continue our tribute by sharing your memories in the Fall 2023 edition of Tiger Tales.****

SPHS CLASS OF 2012 REUNION

The Class of 2012 held their ten year reunion in November 2022, after Tiger Tales was sent to the printer. We're delighted to share highlights of their event and photos of '12 alumni!

On the evening of Saturday, November 19, 2022, approximately 70 classmates from the Class of 2012 met on the outdoor patio of Lawless Brewery to grab a few beers, eat some finger foods, and catch up with old friends. Frankly, I was quite surprised by the turnout and didn't really know what to expect from this event going into this. However, being back amongst our classmates brought the whole class back to the second semester of Senior Year, when all the cliques faded as we recognized our chapter of growing up together as one class was ending. The reunion had the same atmosphere, and I personally had a great time seeing familiar faces, hearing how thankful they were that they got to reconnect with old classmates, and watching people who never talked in high school catch up. I am excited to see where we will all end up when we see each other at our next reunion.

I have of you
Will never fade away."***

Time

*Time cannot steal the treasures
that we carry in our hearts.
Nor ever dim the shining thoughts
our cherished past imparts.
For the memories of the ones we loved
still cast a gentle glow,
To grace our days and light our paths,
wherever we may go.*
